

# Bus For Sale

Beckman is selling their 2007 IC CE 300 school bus and would like the proceeds to help purchase another used bus. It has a Navistar DT 466 engine, which has had regular 5,000-mile oil changes since purchased new. It has 248,000 miles on it. The bus did not pass state inspection due to some rust on the back and some wrinkled flooring. Beckman has decided not to fix the issues because we would not be allowed to patch the rust spots rather we would have to replace the entire back portion of the bus excluding the door. The bus is fully functional other than the issues stated above, along with some water leakage on a few windows and roof seams, which could be caulked.

Beckman is having a sealed bid auction on the bus. If you are interested in seeing the bus please contact Marcel Kielkucki or Darin Michels at 563-875-7188. The bus is in "as is" condition and holds no warranty of any kind. Beckman has the right to refuse any and all bids. Please drop off bids at school or send them via mail to Marcel Kielkucki, 1325 9th St. SE, Dyersville Iowa 52040. Bids will be accepted until December 15<sup>th</sup>. Minimum bid is \$2000. Thanks for supporting Beckman Catholic.
